Win Your City by Author Frank Purser is more than a book. It is a challenge. With the decay of the family, marriages, morals and many other characteristics found within our cities like crime and drug abuse just to mention a few, author Frank Purser's book rings loudly like a call for Revival across the lands one city at a time. Spirit led and anointed, this book is filled with fruit bearing seeds that when planted will produce a harvest.

The author, with over 35 years in ministry and having a Master's Degree in Education, has led ministries and organized major evangelistic events at various levels to include local, city, and regional. With years of experience and solid biblical applications, the author has laid out proven strategies, that when applied, will birth and sustain revival in your city.

With such chapters as The Battle for Your City, Unity: The Driving Force, Uniting The Body, A City Reborn: Maintaining Revival and many others, Win Your City will stir the Spirit within you while placing a strategic plan into motion.

The author shares the importance of prayer; fasting, unity, leadership, church government, witnessing, prayer walks, and many other Kingdom principles that when applied will lay a solid foundation for growth, success and transformed lives.

The author also without compromising scripture, integrity or Christian values shares ways to successfully get the Word out through various marketing techniques that will be receivable to the general public. In today's world of advertising, marketing, and media, having a strategic marketing plan is very important.

This book is a must read for every believer that has the calling and desire to reach out to the lost and see the lives of others transformed. You will be blessed

by the scripture applications throughout the book and the easy step-by-step application.

A Highly Recommended Read
